

ONLINE MBA

Turn a great career into an exceptional career

onlinemba.vlerick.com

100% ONLINE

Our Online MBA is optimised for online learning

Synchronous classroom sessions put you face-to-face with lecturers and fellow participants, creating opportunities to explore new perspectives, challenge one another and network as you work on projects together. This way, we ensure your online learning experience is as impactful and engaging as possible.

Become a more agile and impactful business leader

Are you ready to refresh your career, move up in your organisation or create a new, entrepreneurial business of your own? By challenging you to think and lead in new ways, we can help you achieve your goals and succeed in today's dynamic business environments.

Also, with a 100% Online MBA you can study towards your career goals anywhere and at any time, fully immersing yourself in our innovative, interactive online learning environment.

Our triple-accredited business school is recognised as one of the best in Europe

Our faculty take a passionate and pragmatic approach to programme delivery. They'll offer you insights and cutting-edge knowledge acquired from years advising international corporations, preparing you to take centre stage in global business.

Our experiential online learning programme will help you:

- address contemporary management issues
- develop a pragmatic approach to business
- perfect an entrepreneurial attitude
- foster an international mindset
- become part of an active global alumni community.

Put theory into practice

Through business simulations, role-play activities and a personalised approach to teaching, you'll complete the programme with everything you need to succeed. With your new skills, a learning mindset and a desire to challenge yourself, you'll see opportunities everywhere. Embark on a new professional journey and thrive in a business world that's forever changing. **For more information visit onlinemba.vlerick.com**

*Financial Times 2018

"It surprised me that it isn't only about how to work in a team within your job, but also outside of your job, how you can be a better person."

Maaïke Van Craen, Online MBA participant
